

Is your child growing normally? Find out!  
Because a child's growth is a major sign of his/her health!

For information on  
children's growth, visit:  
[www.  
magicfoundation.org](http://www.magicfoundation.org)

Don't wait until other,  
potentially serious  
symptoms appear...  
find out !

**Children's Growth  
Awareness Week**
