

It's not about height. It is about children's health!

**PROUD SPONSOR OF**

# Children's Growth Awareness Week

---

3rd Week of September ★ Worldwide Initiative

**Is your child growing normally?**

Find out! Because a child's growth pattern is a major sign of their overall health. Catch problems early and help a child for a lifetime!

Visit: [www.magicfoundation.org](http://www.magicfoundation.org) for more information.
